

CRYPTO CURRENCIES IN AVALOQ

Offer your clients secure and regulated access to crypto assets.

WHY OFFER CRYPTO?

Cryptocurrency trading continues to grow at a rapid pace. The world's largest crypto exchange, Binance, now records a daily trading volume of \$2 billion accompanied with more than 1.4 million transactions per second.*

Many new investors are looking to further diversify their portfolios with cryptocurrencies, leading to a huge increase in demand. However, the process of acquiring crypto via crypto exchanges remains complex and cumbersome.
